Fall 2023 Program Details

# What is Learning Unlimited?

The Learning Unlimited course materials program provides access to all required course materials for undergraduate students before the first day of class for one low flat fee per semester.

## What's included?

## Convenient

No shopping around. No book lists to worry about. All materials are included.

## Accessible

All required course materials are provided to students before the first day of class. Digital materials are easily available with one-click access inside the CourseSite LMS. Physical materials are available through The Lehigh Store and will be distributed through the Mail Center.
